Late Payments

*Sponsors will be billed after census day of each semester.

*45 days after the semester starts, ROTC must communicate to CSM any changes to student sponsorship.

*Payment must be received by the last day of class each semester. Failure to remit payment at this time will result in any outstanding charges to be put on the student account. A restrictive hold will subsequently be placed on their account.

Signature

I (the authorizing sponsor) certify that the above information is accurate as of today and in the instance that the above information changes, Colorado School of Mines will be contacted immediately.
