Denver Public Library Deactivation in Prospector
December 26th, 2010 1:00pm
Denver Public Library (DPL) is deactivated for borrowing and lending in Prospector. This means that DPL customers will not be able to borrow items through Prospector and those from other libraries will not be able to request DPL materials. However, any requests placed before December 20th will be honored. DPL is beginning a migration to...

Prospector: A Well Traveled Resource!
October 8th, 2010 2:41pm
Now that the new Prospector interface has been up for almost two months, we have captured some interesting statistics about the use of the new site. Prospector has had almost 124,068 site visits over half of which—33%—to be exact—are from new comers. The average time spent on the site is about 8 1/2 minutes....
