

Exchange Student Course Request

Please submit your **top 7** selections for your semester of study here in Golden. Note, you may not get every class you request.

Undergraduate students must enroll in 15 credits, or generally 5 courses. Graduate Students must enroll in 12 credits, or generally 4 courses. To check how many credits you are enrolled in, please see the **“How to look at Current Schedule”** document.

Course offerings for the next semester can be found on trailhead under “Look Up Courses.” (See **“How to look up courses”** document.) If there is a lab or recitation with the course, please register for both courses.

CRN numbers are the 5-digit numbers located near the course name.
