Part 4: Graduate Program (for Graduate students only)

Please note that Graduate level study through an exchange/or casual study program does not lead to a graduate degree at CSM. You may take graduate level courses at CSM, and subsequently transfer those graduate level credits into a degree program. However, such a decision is made after you apply for and are accepted into a degree program at CSM. Graduate admission is decided by the departments and the graduate school and is not guaranteed.

If you decide to apply for a graduate degree program at CSM after your exchange is complete, normal tuition and fees will be applied as required by the CSM Graduate School policies.

Part 5: Housing

- Request assistance** from the Office of International Programs to help find housing.
Note: The Office of International Programs does not guarantee international students housing. We only offer to assist students to secure housing in the local area.

If OIP secures your housing, and you accept, you are committed to that housing.

- Will secure own housing accommodation.**

You can find information about off-campus housing at:

<http://residencelife.mines.edu/Off-Campus-Housing-Resources>

If you request assistance to find housing, please answer the questions below. Your answers help us determine what housing accommodation is a good fit for you. We will make one offer, if you choose not to accept, you will have to secure housing accommodations on your own. Accommodations may, or may not, be furnished. Please be aware that most housing is either with an American host who houses 3-6 international students or an apartment that accommodates multiple students. If you prefer single housing, you must secure this accommodation on your own.

List your preference: please mark 1 for first preference, 2 for second preference

____ live in a house with an American host who rents rooms to international students

____ live in an apartment with other international students (may be on or off campus)

Are you willing to share a house/apartment (not a bedroom) with a member of the opposite gender?

- Yes No

Do you smoke? (Please be aware all housing is non-smoking, you can only smoke outside)

- Yes No

Are you willing to live with a smoker? (no smoking is allowed inside the house, only outside)

- Yes No

Do you prefer living with someone who is:

____ very neat and tidy _____ comfortable with a little mess _____ messy

Do you plan to purchase a car?

- Yes No

Price Range (monthly rental fee):

- \$650
 \$750
 +\$800

Note: The OIP will look for the most reasonably priced accommodation but please be aware the price ranges listed are customary for shared-housing in Golden. Single rooms are substantially higher in cost.

Do you have any allergies or any special needs in regards to housing?

Any additional comments: (if you hope to live with another student or group of students, please list names here)

Part 6: Letter of Support

You must submit a statement of support with your application. The letter needs to be from your bank or other source stating that you have US\$1800-2000 for each month of your stay in the United States. The Colorado School of Mines semester is 4 month long.

Part: 7: Copy of the Information Page of Your Passport

Please include a legible copy of the information page in your passport.

Part: 8: Copy of Official Transcript

Please include a copy of your official transcript with your application.

Information only: Required Immunizations

This is only a notice of the required immunizations. Upon your acceptance, we will send information regarding required documentation and how to submit the forms.

MMR-Measles, Mumps and Rubella vaccine – Two doses are required by the State of Colorado for all students born after 1957. **Both doses must be given after your 1st birthday** and at least one month apart. Full dates (month/day/year) are required. Please check with your physician, high school, previous university, county office, and/or military, to obtain an official signed or stamped copy of your records. You may also provide a blood titer indicating proof of your immunity to Measles, Mumps and Rubella. Medical, religious and personal exemptions are allowed by law; however, in the event of an outbreak, exempted persons may be subject to quarantine and exclusion from school.

TB Skin Test (PPD) Screening Questions

If living on campus – Proof of a **Meningococcal ACWY vaccine** (Menactra, MCV4, Menveo) given within the last 5 years must be documented on your immunization record. If the 5 year time period will expire while living on campus, you may choose to receive a booster from your physician or the Student Health Center. A waiver of this requirement is accepted by completion of the Meningococcal Disease form.
