

Outdoor Recreation Center

Climbing Wall Supervisor Job Description

Position Title: Outdoor Recreation Center Climbing Wall Supervisor

Dates of Employment: Fall, Spring, and Summer positions

Program Description: The purpose of the Outdoor Recreation Center, under Recreational Sports, is to provide opportunities for members of the CSM community to access a variety of outdoor recreational activities, rentals, services and other resources.

General Description: It is the responsibility of Climbing Wall Supervisors to support the Outdoor Recreation Center in monitoring the climbing wall and surrounding area. Climbing Wall Supervisors are responsible for enforcing all Climbing Wall and Student Recreation Center policies and procedures. Climbing Wall Supervisors are also responsible for general ORC responsibilities including: organizing equipment, maintaining a equipment inspections, teaching belay/climbing classes, monitoring the proper use of the climbing area as well as completing other ORC related tasks.

Specific Job Responsibilities: Climbing Wall Supervisors are responsible for opening and closing the wall on a daily basis and are responsible for efficiently and effectively completing paperwork and tasks associated with managing climbers. Climbing Wall Supervisors are responsible for checking climbers in, teaching belay classes, monitoring climbers/belayer's in the climbing area and helping to create a positive and welcoming climbing environment. Climbing Wall Supervisors are required to assist in cleaning the climbing wall area including the wall, flooring and the holds. Climbing Wall Supervisors are required to register participants for ORC events and be knowledgeable about other aspects of ORC including trips, services, equipment rental etc. Other responsibilities may be assigned as needed.

Work Hours: varies (0-20 hours per week)

Pay Levels: \$8.00

Work Study: Applicants are hired based on their qualifications not whether or not they receive work study.

Qualifications: Previous outdoor experience is required. Applicants must be willing to develop and improve their outdoor recreational and living skills outside their work hours. Applicants must be self-directed individuals with a strong work ethic. Applicants must have a willingness to learn about programs and services offered by the Outdoor Recreation Center and Recreational Sports. Applicants should possess a positive attitude, the ability to thrive in adverse conditions and be competent to make important decisions. Applicants must have the ability to work well with others. CPR and First Aid Certification are required but can be acquired upon employment. A Wilderness First Aid/Wilderness First Responder Certification or higher is strongly preferred over basic First Aid. Other certifications recommended based on the classes a person wants to teach.

Benefits: The Outdoor Recreation Center offers numerous opportunities for leadership training, personal/professional development, recreational activities and free use of most ORC equipment.

Contact: For more information, please contact Nate Bondi, Director of the Outdoor Recreation Center at nbondi@mines.edu. To learn more about the ORC check out the website at <http://recsports.mines.edu/morc> or just stop by. We are located in the Student Recreation Center across from the intramural fields.
