Denver Public Library Deactivation in Prospector
December 26th, 2010 3:00am
Denver Public Library (DPL) is deactivated for borrowing and lending in Prospector. This means that DPL customers will not be able to borrow items through Prospector and those from other libraries will not be able to request DPL materials. However, any requests placed before December 20th will be honored. DPL is beginning a migration to...

Marmot Library Network To Join Prospector in 2011
November 23rd, 2010 2:00am
Western Regional Library Network signed an agreement with the Prospector regional union catalog and interlibrary loan system (http://www.prospector.org). The addition of the Marmot libraries...

Prospector: A Well Traveled Resource!
October 8th, 2010 2:41am
Now that the new Prospector interface has been up for almost two months, we have captured some interesting statistics about the usage of the new site. Prospector has had almost 124,000 site visits over half of which—53%—are from new comers. The average time spent on the site is about 8 1/2 minutes....

Interesting Facts About Prospector

- Welcome to our new look
- We have incorporated facets for limiting results, book jackets and other design elements
- If you prefer our classic interface it is still available
- Prospector has over 9.73 million unique titles and 27 million copies
