Mrs. Red
Pink purple
Once upon a time in the city I saw Mrs. red pink purple so that's where the story
takes place. As you can see Mrs. Red pink purple looks Really Red Pink and purple and as silly as you saw on the cover.
Well she lived
In a apartment,
It was a pretty
one with a garden and
fence around it. The
apartment is violet-red.
It is a funny shape.
She lives on the fourth
floor.
She likes the forest too. It was near by her amprenet and she went there often.
She has some Treasures
That she hides in the forest! She keeps
It in a Hole.
There is a secret Vlochno that she knows about. It is a small one. It is covered with grass.
She goes to school with the other red pink purples.
