Final Exam Notes:

****Students who will have conflicts with the above schedule of more than two exams on the same day should inform their instructors. The instructor of the highest numbered course is required to grant relief (e.g., an alternate time during exam week).**

--The classes that do not meet at the top of the hour and exact same days are included in the top of the hour time slot with the same days listed. For example, a 9:30 MW class would have their finals during the MWF 9:00 time slot. Classes beginning before 8 AM are included in the 8 AM time
