Maynooth University

An Active Campus Life

Your time at university is not only for academic achievement. Making new friends and pursuing new interests are some of the most rewarding experiences that university has to offer.

World Class Facilities

We continue to invest significantly in a wide range of technologically advanced facilities catering for your academic, social and sporting life at university.

Maynooth, the Perfect Location

Situated just 25 kilometres west of Dublin city centre, and well serviced by bus and rail routes, Maynooth is Ireland's only university town.

Students Come First

Students are at the heart of everything we do. We prioritise your student experience, both academically and socially to ensure that you graduate with the best set of skills to help you succeed in the world, whatever you decide to do.

A Globally Connected University

With over a third of academic staff coming from abroad and many of our own academics and graduates working internationally, Maynooth University has built up a wealth of global connections.

Ranked #50 in the world

The *Times Higher Education* Young Universities in the World ranking places Maynooth among the top 50 universities under 50 years old.

Costs

- 3000€ Program Fee for Mines course(s) only
- 3600€ Program Fee for Mines course and Maynooth course
