**Overview****Admissions Overview**

Welcome to the IPEDS Admissions (ADM) survey component. The primary purpose of ADM is to collect basic information about the undergraduate selection process for entering first-time, degree/certificate-seeking students. This includes information about admissions considerations, admissions yields, and SAT and ACT test scores (if test scores are required for admission). ADM will be collected only from institutions that do not have an open admissions policy for entering first-time students.

**Recent changes**

- Writing scores for ACT and SAT will no longer be reported.
- Due to changes in the SAT, institutions will need to convert and scores from the new SAT to old SAT using College Board Concordance tables.

**Data Reporting Reminders**

- ADM covers data for the most recent Fall period.
- ADM is only applicable to first-time entering students; do not include other students in the number of applicants, number of admits, and number (of admitted) that enrolled. Only include levels (full-time, part-time) that you indicated were offered in the IC Header. If you made an error in the IC Header, please call the IPEDS Help Desk.

### Selection Process - A/A/E

2. Provide the number of first-time, degree/certificate-seeking undergraduate students who applied, who were admitted, and who enrolled (either full- or part-time) at your institution for Fall 2016. Include early decision, early action, and students who began studies during the summer prior to Fall 2016.

Remember that this question is only applicable to first-time students, do not include other students in these totals.

Only include levels that you indicated were offered in the IC Header. If you made an error in the IC Header, please remember to fix the error the next year.

**Summary****Admissions Component Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2016.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
